Open Burning

The Borough allows recreational burning, in outdoor firepits made of clay, terra cotta or metal fueled only by wood, charcoal briquettes or natural gas with a screen to prevent flying embers and hot ash. The flame must be kept within the container at all times, be 25' from your home or other building/vehicle and be on a fire-resistant surface. **It may never be left unattended or used to burn trash.** Also, please be mindful of your neighbors when enjoying your fire so the smoke does not interfere with their enjoyment of their outdoor space.
