

CLEONA BOROUGH FALL NEWSLETTER, 2026

ELECTION DAY

Election day is November 3rd from 7:00 am-8:00 pm. Voting will be in the Borough Council room.

REMEMBER TO CHANGE YOUR CLOCKS!

Fall back 1 hour on November 1st for any manual clocks you still own. The Fire Company would like to remind you that this is a good time to change the batteries in your smoke detectors.

TRICK-OR-TREAT NIGHT!

Will be on Thursday, Oct. 29, 2026, from 6:00 to 8:00 pm. Rain or Shine

CLEONA CHRISTMAS MAKERS MARKET

Join us for the Cleona Christmas Makers Market on Sunday, December 20, from 10:00 am to 2:00 pm at the Cleona fire station. Every vendor is a local maker selling handmade goods and gifts, so it's a great place to finish your holiday shopping close to home. Santa will also be at the borough hall from 10:00 am to 2:00 pm.

CALLING ALL MAKERS!

If you make jewelry, candles, woodwork, art, baked goods, or other handmade gifts, we'd love to have you. Each vendor gets one 6-foot table space for a $30 booth fee, and every dollar goes to Cleona's new crosswalk safety project. Spaces are first come, first served, and we'll keep a good mix of vendors, so shoppers have plenty of variety. The vendor application is coming soon, so watch the borough website and Facebook page for the link.

SANTA'S ANNUAL RIDE THRU TOWN

The A-C Fire Co will be touring the Borough with a convoy of their fire trucks. This annual Cleona tradition ushers in Christmas with non-other than Santa himself. Don't miss it on December 21st, starting at 6 pm.

CLEONA LEAF PICK-UP SCHEDULE

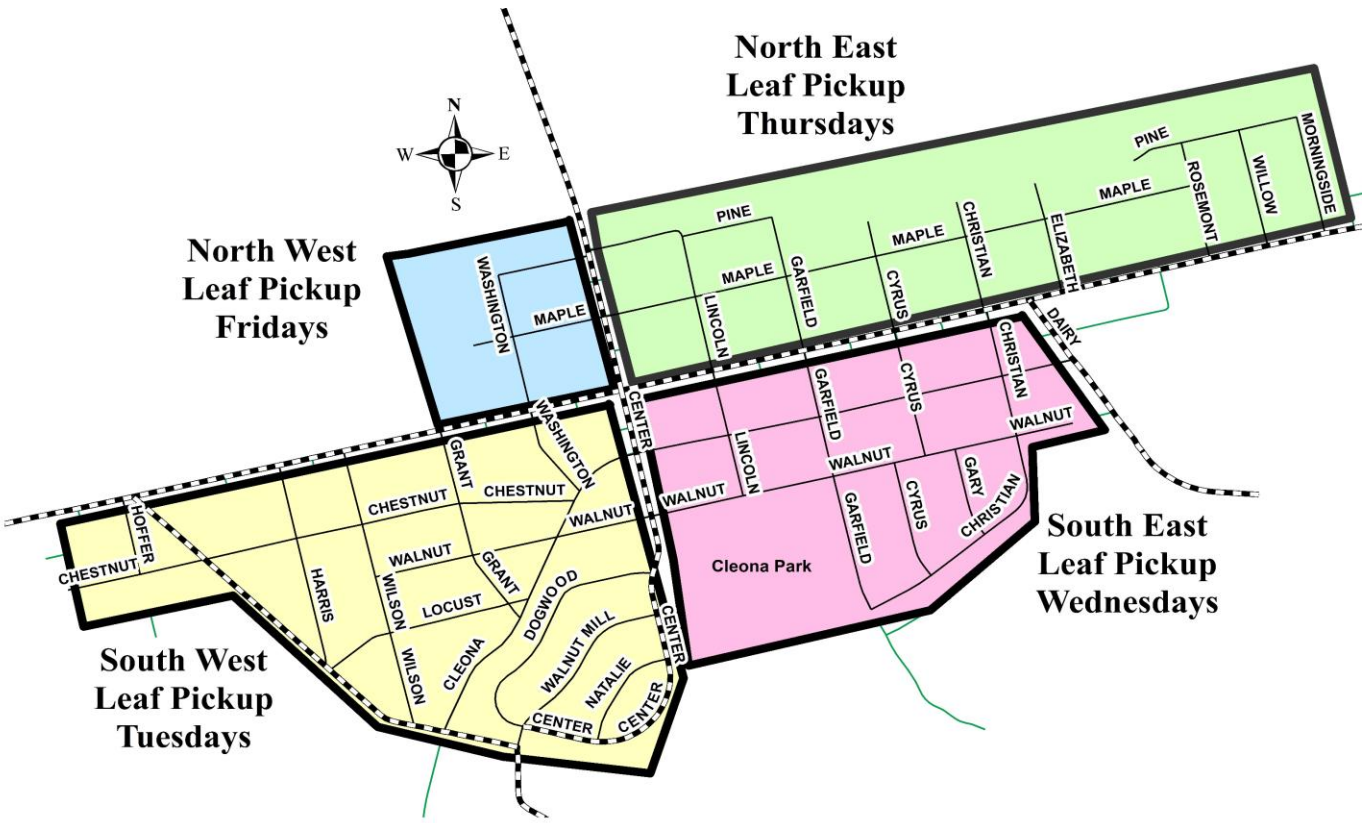

(SUBJECT TO CHANGE / WEATHER)

Weekly Pick-up Schedule

1. Weekly Pick-up Oct. 6th– Dec. 11th
2. Adverse weather conditions may end weekly pick-ups early

Leaf Pick Up Reminders

1. Have your leaves ready for pick-up by 7:00 am
2. Move your vehicle away from leaf piles.
3. No plastic bags, branches, or twigs

COMMUNITY HELPER SESSIONS

The first of our small, informal, community sessions will be on: **Demystifying Medicare**

- **How-** to navigate this confusing but extremely important component of a senior's life. A mis-step here can be very costly!
- **Time Commitment**- this session will be about 30 minutes designed to give you a simplified view of a complex topic. How does it work? What must you select and when? And what are the costs?
- **Cost**- This session is **FREE!**
- **When**- the session is scheduled for Nov. 17 at 10:30 am
- **Where-** Cleona Boro Hall Council Chambers
- **Call the Boro Hall to sign up at (717) 272-7167.**

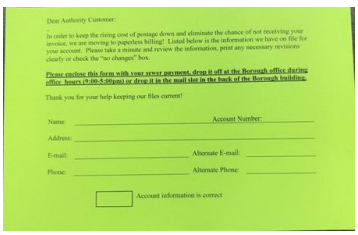

WE NEED YOUR HELP- PAPERLESS SEWER BILLING

As the Borough Authority continues to work towards paperless billing, we need your help. Along with your sewer bill and this newsletter, you received a bright green half-sheet asking you to verify the contact info we have on file. **Please send this back!** You can mail it, scan it & email it, or drop it off; but it's important that we get it.

If you must update anything, please make it as legible as possible, especially an email address. Your information will be kept confidential except for emergency situations.

Dear Authority Customer:

In order to keep the rising cost of postage down and eliminate the chance of not receiving your invoice, we are moving to paperless billing! Listed below is the information we have on file for your account. Please take a minute and review the information, print any necessary revisions clearly or check the "no changes" box.

Please enclose this form with your sewer payment, drop it off at the Borough office during office hours (9:00-5:00pm) or drop it in the mail slot in the back of the Borough building.

Thank you for your help keeping our files current!

HELP CLEONA'S COMMUNITY CATS

Cleona Borough has started a Trap-Neuter-Return (TNR) program for outdoor stray and community cats. Volunteers humanely trap the cats and take them to Nobody's Cats Foundation in Camp Hill, where they are spayed or neutered and vaccinated. The cats are then returned to the place they were trapped. One unspayed cat can have several litters a year, so TNR is the most effective way to reduce the number of strays over time. Fixed cats also fight, yowl, and spray less.

The program runs entirely on donations, not tax dollars. Every $40 pays for one cat's surgery and vaccines. Make checks payable to "Cleona Borough" with "TNR Program" in the memo line and mail them or drop them off at the Borough Office, 140 West Walnut Street, Cleona, PA 17042. All donations go into a restricted fund that can only be used for TNR. Questions? Call 717-272-7167.

ADOPT A STORM DRAIN

As Autumn approaches and the leaves begin to fall, our storm drains are frequently choked with debris. This can cause inefficiencies in stormwater mitigation and result in localized flooding. Although the Boro tries to keep them clear, it can be a real challenge. It can be in your best interest to adopt the storm drain closest to you and help to keep it clear to prevent flooding on your property. Simply clear the drain of debris, particularly before a rain.
