Summer Park Program is Back!!!

Rebecca Myers is our new Summer Program Director. This year, the program will run from July 7 to August 1, Monday-Friday from 9:00 am to 1:00 pm.

- The program is for children ages 8 to 12 years old. Younger children may participate, but a parent must stay with the child.
- To participate in the program, each child must be registered. To register, parents or guardians must come to the Cleona Borough Office
- There is a one-time cost of \$5.00 for each child to offset the cost of the crafts.

Stormwater Projects

This year, Cleona Borough Authority will be doing three stormwater projects:

1. Dairy Road stormwater control
2. South Christian Street stormwater control
3. South Center Street pipe replacement.

Completion of these projects will help diminish flooding. The projects are being funded by the stormwater fees on your quarterly sewer bill.

Miniature Golf

Repairs to the miniature golf course at Cleona Park have been completed! Bring your putter and golf balls to tests your skills. Remember, it is permissible to wear stripes and plaid outfits on the Cleona course.

Tubular

The Park's tube slide is open! The slide has been repaired and is open daily from sunrise to sunset.
