CLEONA BOROUGH

Volume 1, Issue 2

PAPERLESS SEWER BILLING COMING IN THE FALL OF 2026

The Borough Authority is looking to move to paperless billing. This will be an automatic opt in, with the opportunity to opt out if you prefer to receive a paper bill. You will still be able to pay the same ways, but this will decrease costs and the trouble some have been having getting the bills in a timely manner through the U.S. Mail. More to come.

DOG OWNER REMINDERS

What To Know

Most dog owners love their dogs so much, that they consider them part of the family. But did you know that you must have a license for your dog if you live n Cleona Borough.

Where can I go to get a dog license?

- Bomberger's Hardware, Annville or the Lebanon Courthouse Rm 103

How much does it cost?

Dog License Cost		
	Regular	Senior or Disabled
Annual	$10.80	$8.80
Lifetime	$52.80	$36.80

A fine for an unlicensed dog could cost you up to $500.

Cleona Park

Although taking your dog for a nice long walk at the Cleona Park appeals to most dog owners, it is, unfortunately, not permitted. The Boro must be sensitive to all of it's residents and restricts dogs because:

1. Not all residents like dogs and some even fear them.
2. Too many dog owners do not clean up after their dogs.
3. The Boro does not want the liability risk.

A Good Alternative

Coleman's Park just opened a dog park, separated for large & small dogs. Non-city residents- $45 annually.

CLEONA CELEBRATES 250!

The June 20th Community Picnic was a success. Residents enjoyed music from the Washington Band, listening to a dramatic reading of the Declaration of Independence, a watermelon eating contest and a rubber duck race down the Quittie. The 250th Committee wishes to thank all its sponsors, including: Bimbo Bakery, Bryan & Gayle Hoffman, Cleona Coffee Roasters, Dieffenbach's Snacks, H2H Marketing, Laudermilch Meats, & Swiss Premium Dairy.

It is never too early to start **planning for Cleona 100th**. In 2029, the Borough will be celebrating it's one hundredth year as a municipality. A committee will be forming next year. Contact the Borough Office if you would like to be on the Committee.

SCAM Watch

Spoofing is a tactic scammers use to disguise their identity by falsifying caller ID information. Calls may appear to come from a local number or a trusted organization, making them harder to spot. After you answer, scammers attempt to trick you into revealing personal or financial information for fraudulent purposes.

How to protect yourself from spoofed calls:

- If a caller claims to represent a business or government agency, hang up and contact the organization directly using a verified phone number. Legitimate requests are usually sent by mail first.
- Never press buttons or respond to prompts during suspicious calls—this can signal scammers that your number is active.
- Avoid answering questions, particularly those that can be answered with "yes" or "no."
- Never share sensitive information (account numbers, Social Security numbers, passwords, or other personal details) during unexpected calls.
- Be cautious of callers who pressure you to act immediately.
- Protect your voicemail with a password to prevent unauthorized access.
- Don't answer calls from unknown numbers. Let them leave a voicemail. If you do answer, hang up immediately.
- Ask your phone provider about call-blocking tools and consider reputable call-blocking apps.
- Check your voicemail regularly so important messages aren't missed or crowded out by spam.

COMMUNITY HELPER SESSIONS

Starting this Fall, the Borough is looking to have small, informal, community sessions a few times a year to provide help and guidance to the Borough residents of a wide variety of topics, such as:

- Scams- what to look for and how to handle them. This will include both online and offline (phone/in person) scams.
- Trimming the family budget– how to use a bunch of small strategies that can have a large effect on stretching your money..
- Demystifying Medicare- how to navigate this confusing but extremely important component of a senior's life. A mis-step here can be very costly!

So we can gauge the level of interest in a program like this, please let the Borough office know if this sounds like something that would interest you. As this program is still a work in progress, all feedback is welcome.

THE GROWING USE OF E-BIKES AND THEIR BRETHREN

E-bikes are a convenient and eco-friendly way to travel, but safety must always come first. In Cleona, many riders are not following the rules of the road, creating safety concerns for pedestrians, motorists, and other cyclists. E-bike riders should obey all traffic laws, including stop signs, traffic signals, speed limits, and right-of-way rules. Following these regulations helps prevent accidents and ensures safer streets for everyone in our community.

In Pennsylvania, e-bikes are legal if they are pedal-assist, weigh under 100 lbs, have a motor of 750 watts or less, and are capped at 20 mph on motor power, with operators required to be at least 16 years old.
